Table Bookings / Limited Menus / Takeaway / Ordering

Our policy states that you can only book a table for food and we will be continuing this throughout the coronavirus Pandemic.

Please be aware that we will only have a limited amount of tables available at one time for food, due to the 1 meter restrictions and we will be operating on less staff to help keep distancing and safety.

We will be offering a limited menu for the foreseeable future which is more manageable with less staff.

Takeaway will be available on pre order and you will be given a time slot for collection. On arrival please wait at the takeaway table and we will bring your food to you and collect payment is not already done.

We are asking where possible food and drink to be ordered via the app or at the bar if seated outside. We will bring your food and drinks to you once ready. Single serve menus will be dotted around the pub to collect at ease, as well as information on how to use the ordering app. All tables have now been numbered too and needs to be included when ordering.

If you have booked a table for food with us, we are asking you to find your table on arrival (clearly marked with your name) and make yourself comfortable. Menus will already be on the table as well as information on how to order (drinks and food) via our online app. If you are uncomfortable or just don't want to use the app, one of our team members can come to you.

We will be taking bookings only for inside the pub, however we have more tables in the top garden, boules area and skittle alley for you to sit at and we are asking for orders for both food and drink to be placed at the bar if not using the online app.

We apologise that this isn't the service you normally expect from us, however due to government guidelines this is the best solution we can have to reduce movement around the pub and limit the amount of persons queueing at the bar.

Bookings can be made via email or by private message on our social media page. Please allow up to 24 hours for confirmation of your booking. Telephone bookings are also acceptable but may not be picked up as the pub with only be open part time.

Bookings can be made for up to 6 persons max.

Please be aware if you turn up with more persons that originally stated or more than the max of 6 persons we will not be able to accommodate you.

If you have any questions or queries please do not hesitate to contact us (details below) and team members will be on hand to help with any problems when you are with us.

Thank you for your understanding and co-operation.

Kirsty, Nathan & Team
